MANAGEMENT INFORMATION CIRCULAR

as at November 20, 2023

This Management Information Circular (“Information Circular”) is furnished in connection with the solicitation of proxies by the management of Kainantu Resources Ltd. (the “Company”) for use at the annual general meeting of its shareholders (the “Meeting”) to be held on December 15, 2023, at the time and place and for the purposes set forth in the accompanying notice of the Meeting. Except where otherwise indicated, the information contained herein is stated as at November 20, 2023.

In this Information Circular, references to “the Company”, “we” and “our” refer to Kainantu Resources Ltd. “Common Shares” means common shares in the capital of the Company. “Beneficial Shareholders” means shareholders who do not hold Common Shares in their own name, “Registered Shareholders” means shareholders whose names appear on the records of the Company as the registered holders of Common Shares and “intermediaries” refers to brokers, investment firms, clearing houses, trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans and similar entities that own securities on behalf of Beneficial Shareholders.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The form of proxy accompanying this Information Circular (the “**Proxy**”) is solicited by and on behalf of the management of the Company. The solicitation of Proxies will be primarily by mail, but Proxies may be solicited personally, by telephone or other means of communication and by directors, officers, and regular employees of the Company. The Company will bear all costs of this solicitation. We have arranged for intermediaries to forward the meeting materials to Beneficial Shareholders, and we may reimburse the intermediaries for their reasonable fees and disbursements in that regard.

Appointment of Proxyholders

The individuals named in the accompanying Proxy are officers of the Company. **If you are a shareholder entitled to vote at the Meeting, you have the right to appoint a person or company other than either of the persons designated in the Proxy, who need not be a shareholder, to attend and act for you on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of proxy.** The only methods by which you may appoint a person as proxy are submitting the Proxy, or other suitable form of proxy, by mail, hand delivery, fax, phone or by way of the Internet, as set out on the accompanying Proxy.

Voting by Proxyholder; Exercise of Discretion

The persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly.

The Proxy confers discretionary authority on persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors;
- (b) any amendment to or variation of any matter identified therein; and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy, the persons named in the Proxy will vote the Common Shares represented by the Proxy for the approval of such matter.

Registered Shareholders

If you are a Registered Shareholder, you may wish to vote by Proxy whether or not you are able to attend the Meeting in person. If you submit a Proxy, you must complete, date and sign the Proxy and then return it to the Company's transfer agent, Computershare Investor Services Inc. ("**Computershare**"), by fax within North America at 1-866-249-7775, outside North America at 416-263-9524, by phone at 1-866-732-8683, by way of the Internet at www.investorvote.com, or by mail or by hand at 9th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1, no later than 10:00 a.m. (PST) on December 13, 2023.

Beneficial Shareholders

The following information is of importance to many shareholders of the Company who do not hold Common Shares in their own name. Beneficial Shareholders should note that the only Proxies that can be recognized and acted upon at the Meeting are those deposited by Registered Shareholders.

If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in the shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the name of the shareholder's broker or an agent of that broker. In the U.S., the vast majority of such Common Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

If you are a Beneficial Shareholder:

You should carefully follow the instructions of your broker or intermediary in order to ensure that your Common Shares are voted at the Meeting.

The form of proxy or voting instruction form supplied to you by your broker will be similar to the Proxy provided to Registered Shareholders of the Company. However, its purpose is limited to instructing the intermediaries on how to vote on your behalf. Most brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions Inc. ("**Broadridge**") in the U.S. and in Canada. Broadridge mails a voting instruction form in lieu of a Proxy provided by the Company. The voting instruction form will name the same persons as the Company's Proxy to represent you at the Meeting. You have the right to appoint a person (who need not be a Beneficial Shareholder of the Company), other than the persons designated in the voting instruction form, to represent you at the Meeting. To exercise

this right, you should insert the name of the desired representative in the blank space provided in the voting instruction form. The completed voting instruction form must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the Internet, in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. **If you receive a voting instruction form from Broadridge, you cannot use it to vote Common Shares directly at the Meeting. The voting instruction form must be completed and returned to Broadridge, in accordance with its instructions, well in advance of the Meeting in order to have the Common Shares voted.**

Although, as a Beneficial Shareholder, you may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of your broker, you, or a person designated by you, may attend at the Meeting as proxyholder for your broker and vote your Common Shares in that capacity. If you wish to attend at the Meeting and indirectly vote your Common Shares as proxyholder for your broker, or have a person designated by you do so, you should enter your own name, or the name of the person you wish to designate, in the blank space on your voting instruction form provided to you and return the same to your broker in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

Alternatively, you can request in writing that your broker send you a legal proxy, which would enable you, or a person designated by you, to attend at the Meeting and vote your Common Shares.

There are two kinds of Beneficial Shareholders: those who object to their name being made known to the issuers of securities which they own (called OBOs for Objecting Beneficial Owners); and those who do not object to the issuers of the securities they own knowing who they are (called NOBOs for Non-Objecting Beneficial Owners).

The Company has decided to continue to take advantage of those provisions of National Instrument 54-101, *Communication with Beneficial Owners of Securities of Reporting Issuers* ("NI 54-101") that permit it to directly deliver proxy-related materials to its NOBOs. As a result, NOBOs can expect to receive a scannable voting instruction form (the "VIF") from Computershare. These VIFs are to be completed and returned to Computershare in the envelope provided or by facsimile. In addition, Computershare provides both telephone voting and internet voting as fully described on the VIF. Computershare will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the Common Shares represented by the VIFs they receive. The Company intends to pay for intermediaries to deliver the proxy related materials and related forms with respect to the Meeting to OBOs. The Company is not sending the Meeting materials to shareholders using "notice-and-access", as defined in NI 54-101.

NOBOs should carefully follow the instructions of Computershare, including those regarding when and where to complete the VIFs that are to be returned to Computershare. Should a NOBO wish to vote at the Meeting in person, the NOBO must insert the name of the NOBO in the space provided and attend the Meeting and vote in person.

NOBOs who wish to change their vote must contact Computershare to arrange to change their vote in sufficient time in advance of the Meeting.

These shareholder materials are being sent to both Registered Shareholders and Beneficial Shareholders. If you are a Beneficial Shareholder, and the Company or its agent has sent these materials directly to you, your name, address and information about your holdings of Common Shares have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding Common Shares on your behalf.

By choosing to send these shareholder materials to you directly, the Company (and not the intermediary holding Common Shares on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions as specified in the request for voting instructions.

Beneficial Shareholders with questions respecting the voting of Common Shares held through a stockbroker or other financial intermediary should contact that stockbroker or other intermediary for assistance.

Revocation of Proxies

In addition to revocation in any other manner permitted by law, a Registered Shareholder who has given a Proxy, or other suitable form of proxy, may revoke it by:

- (a) executing a Proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the Registered Shareholder or the Registered Shareholder's authorized attorney in writing, or, if the Registered Shareholder is a company, under its corporate seal by an officer or attorney duly authorized, and by delivering the Proxy bearing a later date or the notice of revocation to Computershare, or
- (b) at the address of the Company's Attorney for Service in British Columbia at 2900-550 Burrard Street, Vancouver, British Columbia, V6C 0A3, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the last business day that precedes any reconvening thereof, or to the chairman of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law, or
- (c) personally attending the Meeting and voting the Registered Shareholder's Common Shares.

A revocation of a Proxy will not affect a matter on which a vote is taken before the revocation.

CURRENCY

All currency amounts in this Information Circular are expressed in Canadian dollars, unless otherwise indicated.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Other than as set out herein, no director or executive officer of the Company, nor any person who has held such a position since the beginning of the last completed financial year of the Company, nor any proposed nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than the election of directors.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The board of directors of the Company (the "**Board**") has fixed November 10, 2023, as the record date (the "**Record Date**") for the determination of persons entitled to receive notice of, and vote at, the Meeting and any adjournment thereof. Only Registered Shareholders at the close of business on the Record Date who either attend the Meeting personally or complete, sign and deliver a Proxy, or other suitable form of proxy, in the manner and subject to the provisions described above will be entitled to vote or to have their Common Shares voted at the Meeting.

The Company is authorized to issue an unlimited number of Common Shares without par value. As at November 20, 2023, there were 101,427,956 Common Shares without par value issued and outstanding, each carrying the right to one vote. The Company has no other classes of voting securities.

As at the date of this Information Circular, to the knowledge of the directors and executive officers of the Company, no one shareholder beneficially owns, or controls or directs, directly or indirectly, Common Shares carrying 10% or more of the voting rights attached to all of the outstanding Common Shares of the Company, except as follows:

Shareholder Name	Number of Common Shares ⁽¹⁾	Percentage of Class
Snowfields Wealth Management Limited	15,795,204	15.57%

Notes:

- 1) As reported in public filings.

QUORUM; VOTES NECESSARY TO PASS RESOLUTIONS

The Company's Articles provide that a quorum for the transaction of business at any shareholders' meeting is two (2) shareholders or proxyholders present, representing an aggregate of at least 5% of the issued Common Shares entitled to be voted at the shareholders' meeting. If a quorum is not present within one-half hour after the time set for the commencement of the Meeting, the Meeting will be adjourned and set over for one week to the same time and place, and thereupon whatever number of Common Shares is represented at such adjournment shall constitute a quorum.

A simple majority (being 50% plus one vote) of affirmative votes cast at the Meeting is required to pass an ordinary resolution of the Company, whereas a special majority (being 66 2/3%) of affirmative votes cast at the Meeting is required to pass a special resolution of the Company. If there are more nominees for election as directors or appointment as the Company's auditor than there are vacancies to fill, those nominees receiving the greatest number of votes will be elected or appointed, as the case may be, until all such vacancies have been filled. If the number of nominees for election or appointment is equal to the number of vacancies to be filled, all such nominees will be declared elected or appointed.

Stock Option Plans and Other Incentive Plans

The Board adopted an incentive stock option plan for the Company (the "**Stock Option Plan**"), under which the directors were authorized to grant options to purchase Common Shares ("**Options**") to purchase up to 10% of the Common Shares from time to time. The purpose of the Stock Option Plan is to attract and retain directors, executive officers, employees, and consultants who will be motivated to work towards ensuring the success of the Company by affording such persons with an opportunity to acquire an equity interest in the Company through the Options.

The criteria used to determine eligibility for granting options, including the term of each option and the vesting of each option is at the discretion of the Board based upon the individual's level of responsibility, performance and comparative levels of compensation and previous grants awarded. Proposed grants of Options are submitted to the Board for approval by the Company's Compensation and Nomination Committee. The Board administers and has the authority to amend the Stock Option Plan, subject to applicable shareholder and regulatory approvals. For further information regarding the terms of the Stock Option Plan, refer to the heading below "*Particulars of Matters to be Acted Upon - Approval of Stock Option Plan*".

Employment, Consulting, and Management Agreements

Matthew Salthouse had a consulting agreement with the Company with monthly fees paid in Singapore Dollars for his services as CEO of the Company. There was no fixed term of the agreement, and it could be terminated by the Company by providing six (6) months written notice or payment 6 months of fees or by the CEO by providing six (6) months written notice.

Bart Lendrum had a consulting agreement with the Company with monthly fees paid in Singapore Dollars for his services as CFO of the Company. There was no fixed term of the agreement, and it could be terminated by the Company by providing six (6) months written notice or payment six (6) months of fees or by the CFO by providing six (6) months written notice.

Oversight and Description of Director and Named Executive Officer Compensation

On December 3, 2020, the Company completed a Qualifying Transaction as such term is defined in Policy 2.4 - Capital Pool Companies of the TSX Venture Exchange (the “**TSX-V**”) and has since implemented the Company’s executive compensation program as described below.

Compensation Philosophy and Objectives

The Company’s executive compensation program is designed to attract and retain highly qualified and motivated individuals, reward performance and be competitive with the compensation arrangements of other resource companies of similar size and scope of operations. The Company’s Compensation and Nomination Committee considers a variety of factors when determining both compensation policies and programs and individual compensation levels. These factors include the long-term interests of the Company and its shareholders, the overall financial and operating performance of the Company, an individual’s performance and contribution towards meeting corporate objectives, an individual’s responsibilities, an individual’s length of service and the levels of compensation provided by industry competitors.

The accountability for decisions on executive remuneration is clearly within the mandate of the Compensation and Nomination Committee, but management has a key role in helping support the Compensation and Nomination Committee in fulfilling its obligations. For example, the CEO makes recommendations to the Compensation and Nomination Committee regarding executive officer base salary adjustments, stock option grants and bonus awards. Advice may also be given to the Compensation and Nomination Committee by independent advisors and consultants to the Company. The Compensation and Nomination Committee reviews the basis for these recommendations and can exercise its discretion in modifying any of the recommendations prior to making its recommendations to the Board. The Compensation and Nomination Committee is satisfied that the Company’s compensation structure appropriately takes into account the factors relevant to the industry, the Company’s performance within that industry and the individual contributions to the Company’s performance made by its NEOs.

The Company’s compensation structure for executive officers is primarily composed of two components – base salary/cash bonuses and Options. Note that cash bonuses may be awarded on an occasional and discretionary basis and, if awarded, reflect the Compensation and Nomination Committee’s assessment of the immediately preceding financial year’s performance.

In the course of its deliberations, the Compensation and Nomination Committee considers the implications and the risks associated with adopting the compensation program currently in place. The Compensation and Nomination Committee does not believe that the compensation program adopted by the Company creates a material risk that the NEOs or any employee would be encouraged to take inappropriate or excessive risks and no such risks have been detected to date. The Compensation and Nomination Committee will continue to include this consideration in its deliberations and believes that it and the Board would detect actions by management or employees of the Company that constitute or would lead to inappropriate or excessive risks.

The Board believes that it has exercised effective risk management and regulatory compliance relating to its compensation policies used in determining executive compensation. Risks related to compensation are taken into consideration as part of the general review and determination of executive compensation by the Board. Inappropriate and excessive risks by executives are mitigated by regular Board meetings during which financial and other information (including executive compensation) of the Company is reviewed, and which information includes executive compensation. Interested directors declare their interest and abstain from voting on compensation matters. No risks have been identified arising from the Company's compensation policies and practices that are reasonably likely to have a material adverse effect on the Company.

The Company does not have a policy restricting the ability of a Named Executive Officer or a director from purchasing financial instruments (including pre-paid variable forward contracts, equity swaps, collars, or units of exchange funds) that are designed to hedge or offset a decrease in the market value of equity securities (or Options in respect thereof) granted as compensation or held, directly or indirectly, by the Named Executive Officer or director. During the financial year ending December 31, 2022, none of the Named Executive Officers or directors purchased such financial instruments.

Compensation Elements

Base Salaries/Cash Bonuses

The base salaries payable to NEOs and other executive officers and employees are intended to remunerate them for discharging their job responsibilities and to reflect their performance over time in a manner that is reasonable in the circumstances. The Board relies on the Compensation and Nomination Committee to base its recommendations on objective criteria. Although the Compensation and Nomination Committee does not benchmark against any specific company or companies, it considers the overall trend of executive compensation in the junior mining industry. In making its recommendations to the Board, the Compensation and Nomination Committee also considers the skills and experience of the individual needed to fulfill their responsibilities. Base salaries may be increased based upon the individual's performance and contribution in respect of their specific duties or increases in median competitive pay levels. See "*Corporate Governance – Compensation*" below for additional information on compensation governance.

The Company does not have a formal bonus plan, and none of the Company's NEOs and other executive officers and employees have any contractual right to cash bonuses or short-term incentive compensation. However, the Board will rely upon the recommendation of the Compensation and Nomination Committee regarding cash bonus payments on objective criteria that includes the performance of the Company during the immediately preceding financial year, along with the financial condition of the Company and the state of the junior mining industry. The Company considers that performance bonus awards are an important part of their remuneration package and that associated performance targets reflect the key drivers for value creation and growth in shareholder value.

Options

As a junior mining company, Option grants are considered a significant component of the Company's overall compensation strategy in order to appropriately incentivize the Company's NEOs and other executive officers and employees in a manner that is consistent with shareholders' interests. More specifically, Option grants, which include a vesting element to ensure retention, are long-term incentive compensation that serves to both motivate the individual toward increasing Common Share value and to enable the individual to share in the future success of the Company. Options are granted under the Stock Option Plan by the Board on the recommendation of the Compensation and Nomination Committee. Options are normally awarded by the Board upon the commencement of an individual's employment with the Company, based on the level of responsibility within the Company, and additional Option grants may also be made periodically during an individual's employment to ensure that the number of Options granted to any particular individual is proportionate with the individual's level of ongoing responsibility within the Company. When the Board considers additional Option grants, a number of factors are contemplated, including the role that the

individual plays in the Company, the number of Options an individual has been granted, the exercise price and the value of the Options and the term remaining on those Options.

Pension Disclosure

The Company has not established any pension plans, defined contribution plans, or deferred compensation plans for directors and executive officers that provide for payments or benefits at, following or in connection with retirement.

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

An informed person is one who, generally speaking, is a director or officer or a 10% shareholder of the Company. To the knowledge of management of the Company, no informed person of the Company or proposed director of the Company or a subsidiary of the Company or any associate or affiliate of any informed person or proposed director had any material interest, direct or indirect, in any transaction since the commencement of the Company's most recently completed financial year or in any proposed transaction which has materially affected or would materially affect the Company or any of its subsidiaries, other than as set out below or elsewhere in this Information Circular.

MANAGEMENT CONTRACTS

Management functions of the Company and its subsidiaries are not, to any substantial degree, performed by anyone other than the directors or executive officers of the Company.

AUDIT COMMITTEE

The Company is required to have an Audit Committee under the *Business Corporations Act* (British Columbia) (the “**Act**”) and pursuant to the provisions of National Instrument 52-110, *Audit Committees* (“**NI 52-110**”), which must be comprised of not less than three directors, a majority of whom are not officers, control persons or employees of the Company or an affiliate of the Company. Pursuant to NI 52-110, the Company is required to have a written charter, which sets out the duties and responsibilities of the Audit Committee. On January 29, 2021, the Audit Committee was changed to the “Audit and Risk Committee” and the charter was amended to provide further detail on the Audit and Risk Committee’s responsibility to identify and understand risks that will impact the Company’s business.

Audit Committee Charter

The text of the Audit and Risk Committee’s charter is attached as Appendix “A” to this Information Circular.

Composition of Audit Committee and Independence

The Audit and Risk Committee is comprised of David Loretto (Chairman), Geoff Lawrence, and Dain Currie.

NI 52-110 provides that a member of an audit committee is “independent” if the member has no direct or indirect material relationship with the Company, which could, in the view of the Board, reasonably interfere with the exercise of the member’s independent judgment. All the members of the Audit and Risk Committee are considered “independent” within the meaning of NI 52-110.

NI 52-110 provides that an individual is “financially literate” if he or she has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company’s financial statements. All the members of the Audit Committee are “financially literate” as that term is defined.

Relevant Education and Experience

Refer to the heading “*Election of Directors - Information Regarding Management’s Nominees for Election to the Board*” for information regarding the Audit and Risk Committee members’ education and experience that is relevant to the performance of their responsibilities as an Audit and Risk Committee member.

Audit Committee Oversight

Since the commencement of the Company’s most recently completed financial year, the Audit and Risk Committee of the Company has not made any recommendations to nominate or compensate an external auditor which were not adopted by the Board.

Reliance on Certain Exemptions

Since the commencement of the Company’s most recently completed financial year, the Company has not relied on:

- a) the exemption in section 2.4 (De Minimis Non-audit Services) of NI 52-110; or
- b) an exemption from NI 52-110, in whole or in part, granted under Part 8 (Exemptions).

Pre-Approval Policies and Procedures

The Audit and Risk Committee has not adopted any specific policies and procedures for the engagement of non-audit services.

Audit Fees

The Audit and Risk Committee has reviewed the nature and amount of the non-audited services provided by Davidson & Company LLP (“**Davidson & Co**”) and subsequently by Smythe LLP (“**Smythe**”), to ensure auditor independence. Fees incurred Davidson & Co and Smythe in the last two (2) fiscal years are outlined in the following table:

Nature of Services	Fees Billed by the Auditor in Year Ended December 31, 2021	Fees Billed by the Auditor in Year Ended December 31, 2022
Audit Fees ⁽¹⁾	\$38,716	\$60,000
Audit-Related Fees ⁽²⁾	Nil	Nil
Tax Fees ⁽³⁾	Nil	Nil
All Other Fees ⁽⁴⁾	Nil	Nil
Total	\$38,716	\$60,000

Notes:

- 1) “Audit fees” include aggregate fees billed by the Company’s external auditor in each of the last two fiscal years for audit fees.
- 2) “Audit-Related Fees” include fees for services that are traditionally performed by the auditor. These audit-related services include employee benefit audits, due diligence assistance, accounting consultations on proposed transactions, internal control reviews and audit or attest services not required by legislation or regulation.
- 3) “Tax Fees” include fees for all tax services other than those included in “Audit Fees” and “Audit-Related Fees”. This category includes fees for tax compliance, tax planning and tax advice. Tax planning and tax advice includes assistance with tax audits and appeals, tax advice related to mergers and acquisitions and requests for rulings or technical advice from tax authorities.
- 4) “All Other Fees” include fees for all other non-audit services.

Exemption

The Company is a “venture issuer” as defined in NI 52-110 and is relying on the exemption in section 6.1 of NI 52-110 relating to Parts 3 (*Composition of Audit Committee*) and 5 (*Reporting Obligations*).

CORPORATE GOVERNANCE DISCLOSURE

General

National Instrument 58-101 *Disclosure of Corporate Governance Practices* (“**NI 58-101**”) requires issuers to disclose their corporate governance practices with respect to corporate governance guidelines that they have adopted. National Policy 58-201 *Corporate Governance Guidelines* provides guidance to issuers on corporate governance practices.

The Board understands that good corporate governance improves corporate performance and benefits all shareholders. This section sets out the Company’s approach to corporate governance and addresses the Company’s compliance with NI 58-101.

1. Board of Directors

Directors are considered to be independent if they have no direct or indirect material relationship with the Company. A “material relationship” is a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of a director’s independent judgment and includes the holding of an executive officer position.

The Board facilitates its independent supervision over management by conducting a quarterly review of the Company's financial statements and management discussion and analysis as well as requiring material transactions to be approved by the Board prior to the transaction taking place.

The independent members of the Board are Dain Currie (Chairman), Geoff Lawrence, and David Loretto. As a result, the Board currently has a majority of independent directors. The Company considers its current Board composition to be sufficient given the current state of the Company's business, but it continues to review the composition of the Board on an annual basis.

Given the size of the Company, the current composition of the Board and the nature of activities to date, the independent members of the Board are not expected to hold regularly scheduled meetings at which non-independent directors and members of management are not in attendance. This practice will be reassessed as the Company grows. In order to facilitate open and candid discussion among independent directors, from time to time as circumstances dictate, the independent directors can request a meeting or a portion thereof to be restricted to independent directors for the purpose of discussing matters independently of management. In addition, independent directors are encouraged to remain in communication with one another between meetings as and when they deem it appropriate.

The Board has appointed Mr. Currie as Chairman of the Board. Mr. Currie's role as Chairman of the Board is to provide leadership to the Company's independent directors by encouraging a culture of ethical business conduct. Each member of the Board is encouraged to conduct a self-review to determine if they are providing an effective service regarding both the Company and its shareholders. Should it be deemed that a member of the Board is unable to effectively act on behalf of the Board or in the interests of the Company or its shareholders, the director would be encouraged to resign his or her position on the Board.

2. Board Mandate

The Board has adopted a formal written mandate that outlines its responsibility for the stewardship of the Company and for the oversight of its management and affairs. The Board's mandate is to manage the business and affairs of the Company. While day-to-day management of the Company has been delegated by the Board to executive management, the Board fulfills its responsibility for the broader stewardship of the Company's business and affairs through its regular meetings at which members of management provide reports to the Board with respect to the Company's business and operations, make proposals to the Board and receive the Board's decisions for implementation. Any responsibility that has not been delegated to executive management or a Board committee remains with the full Board.

The Board believes that its approach to corporate governance is appropriate and works effectively for the Company and its shareholders and is consistent with the overall business of the Company and its stage of development.

3. Directorships

David Loretto is currently a director of another issuer that is a reporting issuer (or the equivalent) in a jurisdiction or a foreign jurisdiction. Specifically, Mr. Loretto is a director of Kingfisher Metals Corp. ("**Kingfisher**").

Dain Currie is currently a director of other issuers that are reporting issuers (or the equivalent) in a jurisdiction or a foreign jurisdiction. Specifically, Mr. Currie is a director of Intertidal Capital Corp. ("**Intertidal**"), and Wittering Capital Corp. ("**Wittering Capital**").

4. Orientation and Continuing Education

The Board provides ad hoc orientation for new directors, which generally consists of providing education regarding directors' responsibilities, corporate governance issues and committee charters. Continuing education opportunities are available to Board members as requested. On occasions where it is considered advisable, the Board will provide directors with information regarding topics of general

interest, such as fiduciary duties and continuous disclosure obligations. The Board also ensures that each director is up to date with current information regarding the business of the Company, the role that the director is expected to fulfill and basic procedures and operations of the Board and its committees. Board members are also given access to management and other employees and advisors, who can answer any questions that may arise. Management also updates the Board concerning the status of the Company and, in respect of material transactions, including the review of the Company's financial statements, provides opportunities for Board review and approval by way of directors' consent resolutions.

5. Ethical Business Conduct

The Board is of the view that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law, and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest, are sufficient to ensure that the Board operates independently of management and in the best interests of the Company. Nevertheless, the Company has adopted a formal written code of business conduct and ethics (the "**Code of Ethics**"), which sets out the ethical and behavioural standards expected of the Company's directors, officers, employees, and contractors. These standards include integrity and objectivity, fair dealing and due care, proper use of the Company's assets, property and information and compliance with applicable laws, regulations, and rules. The Code of Ethics requires all directors, officers, and employees to promptly report potential or suspected violations of the Code of Ethics orally or in writing and, if preferred, anonymously. Concerns may be raised with the CEO or, if related to accounting or auditing matters, with the Audit and Risk Committee.

The Board satisfies itself regarding compliance with the Code of Ethics by reasonably ensuring that all directors, officers, and employees receive and become familiar with the Code of Ethics and acknowledge their support and understanding of the Code of Ethics. To ensure independent judgement, directors are required by applicable law and the Code of Ethics to promptly disclose any potential conflict of interest that may arise and, where required by applicable law, to abstain from voting with respect to an agreement or transaction in which they have a material interest. In addition, the Code of Ethics prohibits any director or employee from retaliating or taking adverse action against anyone for raising good faith suspected conduct violations or helping to resolve a conduct concern. The Company will provide a copy of the Code of Ethics, free of charge, upon request to the Company (email: info@krl.com.sg).

6. Nomination of Directors

The Compensation and Nomination Committee consists of two (2) independent directors: Dain Currie (Chairman) and Geoff Lawrence. Part of the Compensation and Nomination Committee's responsibility is for identifying, assessing, and making recommendations as to candidates qualified for election to the Board and Board committees, and where necessary, develops an orientation and education program for new recruits to the Board. In identifying possible nominees to the Board, the Compensation and Nomination Committee considers the competencies and skills necessary for the Board as a whole, the skills of existing directors and the competencies and skills that each new nominee will bring to the Board, as well as whether or not each nominee will devote sufficient time and resources to the Board. The Compensation and Nominating Committee also considers the size of the Board each year when it considers the number of directors to recommend to the shareholders for election at the shareholders' meeting of the Company, taking into account the number required to carry out the Board's duties effectively and to maintain a diversity of views and experience. In the event of a vacancy on the Board, the Compensation and Nomination Committee evaluates potential candidates on the basis of factors such as their past business experience; their industry knowledge; and their ability to contribute to the success of the Company.

7. Compensation

As at the date of this Information Circular, the Compensation and Nomination Committee consists of Dain Currie (Chairman) and Geoff Lawrence each of whom is independent and neither of whom is an officer or employee of the Company or any of its subsidiaries. The Board believes that the Compensation and Nomination Committee collectively has the knowledge, experience and background required to fulfill its mandate. Also, it is notable that Mr. Currie has experience setting compensation for executives and has

knowledge of executive compensation strategies in companies of a similar size to the Company. Part of the Compensation and Nomination Committee's charter mandates is to recommend to the Board the form and amount of compensation to be paid by the Company to the Company's directors for service on the Board and on the Board committees and recommend the structure of the Company's compensation programs, both for management and staff, including base salaries, perquisites and long and short-term incentive compensation, including cash bonuses and Option grants. The Compensation and Nomination Committee is also mandated to review the performance of the CEO and the CFO.

The Compensation and Nomination Committee meets from time to time during the year for the purpose of, among other things, reviewing the overall employee and executive officer compensation program, as well as the adequacy and form of annual compensation for directors to ensure that such compensation realistically reflects the responsibilities and risks involved in being an effective director, and recommending the approval of any proposed changes to these compensation programs to the Board. The Compensation and Nomination Committee makes specific recommendations to the Board on base salaries, cash bonuses and Option grants, as applicable. The Compensation and Nomination Committee ensures the total compensation package facilitates the attraction and retention of a strong executive management team and employees. The Board reviews all recommendations of the Compensation and Nomination Committee relating to compensation matters before final approval. The Compensation and Nomination Committee did not retain a compensation consultant or advisor at any time since the beginning of the Company's most recently completed financial year to assist in determining the compensation for any of its directors, executive officers, and employees.

8. Other Board Committees

The Board has no committees other than the Audit and Risk Committee and Compensation and Nomination Committee. In light of the Company's stage of development and Board composition, it considers this to be reasonable.

9. Assessments

The Board does not consider that formal assessments would be useful at this stage of the Company's development. The Board and each individual director are assessed regarding their effectiveness and contribution. The assessment considers: (i) in the case of the Board, its mandate and charter; and (ii) in the case of an individual director, the applicable position description(s), if any, as well as the competencies and skills each individual director is expected to possess.

PARTICULARS OF MATTERS TO BE ACTED UPON

1. Receive Financial Statements and Auditor's Report

The audited consolidated financial statements and the related management discussion and analysis of the Company for the year ended December 31, 2022, and the report of the auditor on those statements will be placed before the Meeting. 2. Election of Directors

The Board presently consists of three (3) directors. At the Meeting, it is intended that three (3) directors be elected for the ensuing year. Unless the director's office is earlier vacated in accordance with the provisions of the Act, each director elected will hold office until the conclusion of the next shareholders' meeting of the Company, or until their successor is elected or appointed.

The following table sets out the names of management's three (3) nominees for election as director, their jurisdiction of residence, the offices they hold within the Company, their principal occupations, the period

The Board does not have an executive committee. There are presently two (2) committees of the Board; namely, the Audit and Risk Committee and the Compensation and Nomination Committee.

In the absence of instructions to the contrary, Proxies given pursuant to the solicitation by the management of the Company will be voted for the nominees listed in this Information Circular. Management does not contemplate that any of the nominees will be unable to serve as a director.

4. Approval of Stock Option Plan

The Stock Option Plan permits the issuance of up to an aggregate of 10% of the issued and outstanding Common Shares from time to time pursuant to the exercise of Options granted under the Stock Option Plan. This is a "rolling" plan as the number of Common Shares reserved for issuance pursuant to the grant Options will increase as the Company's Common Shares increase.

A copy of the updated Stock Option Plan is attached hereto as Appendix "B" to this Information Circular and the highlights of the Stock Option Plan are as follows:

1. The maximum number of Common Shares that may be issued upon the exercise of Options granted under the Stock Option Plan shall not exceed 10% of the issued and outstanding Common Shares of the Company at the time of grant, the exercise price of which, as determined by the Board in its sole discretion, shall not be less than the closing price of the Company's shares traded through the facilities of the TSX-V prior to the announcement of the Option grant, or, if the Common Shares are no longer listed for trading on the TSX-V, then such other exchange or quotation system on which the shares are listed or quoted for trading.

All Options granted under the Stock Option Plan may not have an expiry date exceeding ten (10) years from the date on which the Board grant and announce the granting of the Option.

At the Meeting, shareholders will be asked to consider, and if deemed appropriate, to pass with or without variation, the following ordinary resolution (the “**Stock Option Plan Approval Resolution**”):

“BE IT RESOLVED THAT:

- (a) the Stock Option Plan of the Company, as described in the Information Circular and substantially in the form attached as Appendix “B”, be and it is hereby approved; and
- (b) any director or officer of the Company be and is hereby authorized and directed to take all such action and execute and deliver all such documents as any such director or officer may, in his or her sole discretion, determine are necessary, desirable or useful to implement the foregoing resolutions.”

An ordinary resolution is a resolution passed by a simple majority of the votes cast in person or by proxy. Unless otherwise indicated, the persons designated as proxyholders in the accompanying Proxy intend to vote the Common Shares represented by each properly executed Proxy **FOR** the Stock Option Plan Approval Resolution.

The Stock Option Plan will continue to benefit the shareholders of the Company by aligning the interests of the Company’s officers, employees, consultants, and other eligible service providers with those of the shareholders of the Company and providing a long-term incentive to reward the Company’s officers, employees, consultants and other eligible service providers for their contribution to the generation of shareholder value.

The Board recommends that shareholders vote FOR the Stock Option Plan Approval Resolution. Unless otherwise instructed, Common Shares represented by proxies in favor of management will be voted FOR the Stock Option Plan Approval Resolution.

5. Adoption of New Articles

The directors are recommending that the Company adopt a new form of Articles (the “**New Articles**”) in order to replace the Company’s existing Articles (the “**Existing Articles**”). The New Articles will allow the Company to take advantage of certain mechanisms permitted by the Act.

Key Provisions of New Articles

The following is a summary of certain key provisions contained in the New Articles that represent a change from the Existing Articles:

1. Certain alterations to share capital may only be made with a special resolution of the shareholders, including share consolidations and share subdivisions, under the Existing Articles. The New Articles will allow such changes to be made by the directors (including any necessary amendments to the Company's Notice of Articles) so long as such changes do not create or vary any special rights or restrictions attached to a class of shares.
2. The New Articles will contain "Advance Notice" provisions, information concern which is provided below under "Advance Notice Provisions".
3. The New Articles may be altered by ordinary resolution of the shareholders of the Company as compared to the Existing Articles that may be altered by special resolution of the shareholders of the Company.

Capital Alteration Provisions

The Company's Existing Articles currently require a special resolution of the shareholders to make certain changes to the Company's capital structure including, but not limited to, the creation or cancellation of one or more classes or series of shares, changing the authorized capital, consolidating, or subdividing all or any of the Company's issued or unissued shares, and other alterations to the share capital and authorized capital (the "**Capital Alteration Provisions**"). The Act permits a company to alter the Capital Alteration Provisions by way of directors' resolution. Accordingly, the New Articles will provide for changes to Capital Alteration Provisions to be effected by way of directors' resolution.

Advance Notice Provisions

The New Articles also incorporates a provision that requires advance notice to the Company in circumstances where nominations of persons for election to the Board are made by shareholders of the Company other than pursuant to: (i) a requisition to call a shareholders' meeting made pursuant to the provisions of the Act, or (ii) a shareholder proposal made pursuant to the provisions of the Act (the "**Advance Notice Provision**").

Among other things, the Advance Notice Provision fixes a deadline by which holders of record of Common Shares of the Company must submit director nominations to the Company prior to any annual or special meeting of shareholders and sets forth the information that a shareholder must include in the notice to the Company for the notice to be in proper written form.

In the case of an annual meeting of shareholders, notice to the Company must be made not less than 30 nor more than 65 days prior to the date of the annual meeting; provided, however, that in the event that the annual meeting is to be held on a date that is less than 50 days after the date on which the first public announcement of the date of the annual meeting was made, notice may be made not later than the close of business on the 10th day following such public announcement.

In the case of a special meeting of shareholders (which is not also an annual meeting), notice to the Company must be made not later than the close of business on the 15th day following the day on which the first public announcement of the date of the special meeting was made.

The Advance Notice Provision provides a clear process for shareholders to follow to nominate directors and sets out a reasonable time frame for nominee submissions along with a requirement for accompanying information. The purpose of the Advance Notice Provision is to treat all shareholders fairly by ensuring that all shareholders, including those participating in a meeting by proxy rather than in person, receive adequate notice of the nominations to be considered at a meeting and can thereby exercise their voting rights in an informed manner. In addition, the Advance Notice Provision should assist in facilitating an orderly and efficient meeting process.

Alterations to the Articles

The Existing Articles may be altered by special resolution of the shareholders of the Company. Alternatively, the New Articles can be altered by an ordinary resolution of the shareholders of the Company.

Copy of the New Articles

Shareholders may request a full copy of the New Articles by contacting the Company by mail at 2900-550 Burrard Street, Vancouver, BC, V6C 0A3.

Shareholder Approval

Shareholders will be asked at the Meeting to approve with or without variation the following special resolution (the “**New Articles Resolution**”):

“BE IT RESOLVED, AS A SPECIAL RESOLUTION, THAT:

- (a) the Existing Articles of the Company be cancelled and the New Articles, as described in the Company’s Information Circular dated November 20, 2023, be adopted as the Articles of the Company; and
- (b) any one director or officer of the Company be authorized to execute and deliver all such documents and instruments, including the New Articles, and to do such further acts, as may be necessary to give full effect to these resolutions or as may be required to carry out the full intent and meaning thereof.”

The Board recommends that shareholders vote FOR the New Articles Resolution. Unless otherwise instructed, Common Shares represented by proxies in favor of management will be voted FOR the New Articles Resolution.

OTHER MATTERS

The Board is not aware of any other matters which they anticipate will come before the Meeting as of the date of mailing of this Information Circular. If any other matters properly come before the Meeting, the Common Shares represented by the Proxy solicited hereby will be voted on such matters in accordance with the best judgment of the persons voting the Proxy, subject to instructions on the face of the Proxy to the contrary.

Financial information is provided in the Company’s comparative annual financial statements and management discussion and analysis for its most recently completed financial year. Additional information relating to the Company is also available on SEDAR at www.sedar.com and may be downloaded free of charge.

The Company will provide to any shareholder, free of charge, upon request to the Company, (email: info@krl.com.sg), a copy of any year end and interim financial statements of the Company and management’s discussion and analysis filed with the applicable securities regulatory authorities during the past three years.

 - (iii) cause a broker who sells Shares acquired by the Optionee on behalf of the Optionee to withhold from the proceeds realized from such sale the amount required to satisfy any such Withholding Obligations and to remit such amount directly to the Corporation; and
- (d) making such other arrangements as the Corporation may reasonably require.

The sale of Shares by the Corporation, or by a broker engaged by the Corporation (the "**Broker**"), under this Section 0 will be made on the Exchange. The Optionee consents to such sale and grants to the Corporation an irrevocable power of attorney to effect the sale of such Shares on the Optionee's behalf and acknowledges and agrees that:

- (i) the number of Shares sold shall, at a minimum, be sufficient to fund Withholding Obligations net of all selling costs, which costs are the responsibility of the Optionee and which the Optionee hereby authorizes to be deducted from the proceeds of such sale;
- (ii) in effecting the sale of any such shares, the Corporation or the Broker will exercise its sole judgement as to the timing and the manner of sale and will not be obligated to seek or obtain a minimum price; and
- (iii) neither the Corporation nor the Broker will be liable for any loss arising out of any sale of such Shares including any loss relating to the pricing, manner or timing of such sales or any delay in transferring any Shares to an Optionee or otherwise. The Optionee further acknowledges that the sale price of Shares will fluctuate with the market price of the Shares and no assurance can be given that any particular price will be received upon any sale.

12. Miscellaneous Provisions

- 12.1 The operation of this Plan and the issuance and exercise of all Options and Optioned Shares contemplated by this Plan are subject to compliance with all applicable laws, and all rules and requirements of the Exchange.
- 12.2 As a condition of participating in the Plan, each Optionee agrees to comply with all applicable laws and the policies and requirements of the Exchange, and to fully cooperate with the Corporation in doing all such things, including executing and delivering all such agreements, undertakings or other documents or furnishing all such information as is reasonably necessary to facilitate compliance with such laws, rules and requirements, including all Withholding Obligations.
- 12.3 Participation in the Plan is voluntary and does not constitute a condition of employment or continued employment or service. An Optionee shall not have any rights as a shareholder of the Corporation with respect to any of the Optioned Shares underlying any Option until the date of issuance of a certificate for Shares upon the exercise of such Option, in full or in part, and then only with respect to the Shares represented by such certificate or certificates. Without in any way limiting the generality of the foregoing, no adjustment shall be made for dividends or other rights for which the record date is prior to the date such share certificate is issued.
- 12.4 Nothing in the Plan or any Option shall confer upon an Optionee any right to continue or be re-elected as a director of the Corporation or any right to continue in the employ or engagement of the Corporation or any Subsidiary, or affect in any way the right of the Corporation or any Subsidiary to terminate the Optionee's employment or engagement at any time; nor shall anything in the Plan or any Option be deemed or construed to constitute an agreement, or an expression of intent, on the part of the Corporation or any Subsidiary to extend the employment or engagement of any Optionee beyond the time which the Optionee would normally be retired pursuant to the provisions of any present or future retirement plan of the Corporation or any Subsidiary or any present or future retirement policy of the Corporation or any Subsidiary, or beyond the time at which the Optionee would otherwise be retired pursuant to the provisions of any contract of employment with the Corporation or any Subsidiary.

- 12.5 An Option shall be personal to the Optionee, even if the Optionee is a company that is wholly owned by an Eligible Person, and shall be non-assignable and non-transferable (whether by operation of law or otherwise). Upon any attempt to transfer, assign, pledge, hypothecate or otherwise dispose of an Option contrary to the provisions of the Plan, or upon the levy of any attachment or similar process upon an Option, the Option shall, at the election of the Corporation, cease and terminate and be of no further force or effect whatsoever.
- 12.6 The Plan (including any amendment to the Plan), the terms of the issue or grant of any Option under the Plan, the grant and exercise of Options hereunder, and the Corporation's obligation to sell and deliver Optioned Shares upon the exercise of Options, shall be subject to all applicable law and the requirements of the Exchange, and to such approvals by any regulatory or governmental agency as may, in the opinion of counsel to the Corporation, be necessary or advisable. The Corporation shall not be obliged by any provision of the Plan or the grant of any Option hereunder to issue or sell Shares in violation of such laws, rules and regulations or any condition of such approvals.
- 12.7 The Plan and all matters to which reference is made herein shall be governed by and interpreted in accordance with the laws of the Province of British Columbia and the laws of Canada applicable therein.
